LETTER FROM THE PRESIDENT

Looking back on my year as the Marshfield Area United Way (MAUW) Board President, the events, activities, and meetings all seem like a blur. What truly stands out to me are the people. Witnessing the dedication of those who come together week after week to support the Nutrition On Weekends (NOW) program—despite the rising costs of supplies and the growing number of children in need—has been incredibly inspiring. Strategically seeking new and creative opportunities and seeing them come to fruition gives me faith in the future. Seeing our community rally behind an ambitious campaign goal proves that generosity knows no bounds. Witnessing and being a part of these tremendous accomplishments fills me with pride.

At a time when many nonprofit organizations are struggling, knowing that MAUW remains a steady, reputable force makes me want to shout from the rooftops that I am honored to be part of this incredible group. In a world of constant change, aligning with those who embrace challenges, seek new opportunities, and extend a helping hand to those struggling reminds me why this work is so important.

Everyone should experience serving on a board or committee dedicated to community service. United Way's impact reaches far and wide—caring for the vulnerable, protecting those who have endured trauma, advocating for fairness, meeting basic needs, and catching those who might otherwise fall through the cracks. From the inside, it's both humbling and eye-opening. You gain a deep appreciation for your blessings and an unshakable drive to help others. While we may not be able to help everyone, together as a community, we can make a profound difference in the lives of the hundreds MAUW supports each year—letting them know they matter, they are cared for, and there is hope. There is no more incredible feeling than knowing you played a part in impacting the lives of others.

Thank you to everyone who trusted me to serve as Board President. This experience will always hold a special place in my heart, and I proudly stand behind those who will lead MAUW into the future.

EDUCATION

With our dedicated partners, we're leading the way to brighter futures through learning and growth.

2 OUT OF 3 PARENTS  **PARTICIPATING IN A UNITED WAY PROGRAM INDICATED BEING MORE KNOWLEDGEABLE ABOUT HOW THEIR CHILD IS GROWING AND DEVELOPING**

LOCAL IMPACT STORY

Taylor had been having a tough time in a couple of her classes, and it was starting to wear on her confidence. Her parents could see she was getting discouraged and unsure of herself. Wanting to turn things around, they reached out to Spencer Kids Group to see if there was any extra support available.

The response was immediate and thoughtful. Instead of adding more pressure, the team focused on creating a calm, encouraging space where Taylor could feel safe to ask questions and take her time. That shift made all the difference.

Within just a few weeks, Taylor's progress report showed significant improvement. But even more meaningful than the grades was the change in her attitude. She started completing assignments on her own, speaking up when she didn't understand something, and even offering help to her classmates.

Her parents were overjoyed—not just by her academic progress, but by how much more confident and motivated she had become. Thanks to Spencer Kids Group and United Way, Taylor wasn't just catching up—she was thriving.

FINANCIAL STABILITY

In partnership, we're leading the way to lasting financial stability, resilience, and opportunity.

1156

LOCAL IMPACT STORY

For a time, John was living out of his van in a parking lot south of Marshfield with no basic amenities and only his small dog for company. Life was difficult, and he was struggling to find a way back to stable housing. A concerned local resident noticed his situation and called North Central Community Action Program after being referred by United Way's 211.

Shortly after, a case manager from NCCAP visited John, assessed his needs, and helped him access essential resources like food and clothing while working on securing permanent housing. Together, they found a room he could rent, and the case manager coordinated with the landlord to help John with

the first month's rent.

To make sure he could maintain his new home, the case manager also helped John set up automatic rent payments, and connected him with other community agencies for additional support. Thanks to this assistance and United Way, John now lives comfortably and is steadily rebuilding his life.

HEALTH

Together with our partners, we're leading the way to healthier lives and stronger health and well-being.

10,117 **COUNSELING SESSIONS WERE PROVIDED FOR CHILDREN AND TEENS**

93% **OF INDIVIDUALS ACCESSING MENTAL HEALTH SERVICES THROUGH A UNITED WAY PROGRAM MADE PROGRESS TOWARD INDIVIDUAL TREATMENT GOALS**

100% **OF SENIOR OR DISABLED COMMUNITY MEMBERS PARTICIPATING IN A UNITED WAY PROGRAM INDICATED IMPROVED FOOD SECURITY DUE TO MEAL DELIVERIES**

LOCAL IMPACT STORY

Evelyn is turning 95 soon. She spent the past five years caring for her significant other. During that time, the daily demands of looking after both him and herself wore her down. Home Delivered Meals was there to help when she needed it most. This program became a vital support for her, providing dietetically specialized meals that met her partner's unique needs as well as her own, so she didn't have to prepare separate meals for both of them and she could focus on providing the loving care her partner needed.

Evelyn's partner passed away six months ago, but thanks to the ongoing help from Home Delivered Meals and United Way, she has been able to regain her strength. She continues to live independently in her own home, with daily check-ins from the meal delivery drivers, who provide both nourishing meals and companionship.
