

Want a FREE Green Bay Packers Football for Your United Way Campaign?

Eligible organizations may request a Green Bay Packers team football to help support an upcoming United Way campaign or event!

These special footballs feature transferred signatures from the Green Bay Packers players and coaching staff. At the start of each season, each player and coach signs a panel, and those signatures are then transferred onto the football. The signatures are not altered during this process.

Please note:

- Limit of **one** football per organization
- Footballs are intended for use in support of an upcoming United Way campaign or event
- Requests should be submitted at least six weeks prior to your event date
- All requests are subject to the Green Bay Packers' donation guidelines and approval

How to Request a Football

Visit packers.com/community/donations.html

Under "Requesting Donations," click "Start a New In-Kind Application" and complete the application.

If you have questions while completing the application, you can contact the Packers at donations@packers.com.
